WELCOME SPEECH

President of Indonesian Hip & Knee Society

Dear Esteemed Colleagues,

With utmost humility, I extend a heartfelt invitation to each and every one of you to join us at the 8th Biannual Scientific Meeting of IHKS in Bandung, from August 28th to September 1st 2024.

Here at IHKS, we remain steadfast in our commitment to host scientific events every two years, allowing us to collectively update our knowledge in orthopedic sciences, particularly in the fields of sports, trauma, and arthroplasty.

The two-year interval provides an ideal opportunity to monitor developments and compile them to present to you all. The theme of this meeting, "Conquering Every Day Challenge," reflects our focus not only on discussing new technologies or sophisticated matters but also on addressing the everyday issues encountered in hip and knee, relevant to all orthopedic practitioners. We will delve into the management of commonly encountered daily cases in order to strive for a better patient care.

Bandung was chosen not only for its pleasant atmosphere but also for its accessibility to orthopedic colleagues from all across Indonesia.

Moreover, with the new high-speed Whoosh train, transportation to Bandung will be more convenient and also offering a unique experience. Please do not hesitate to participate in this event; we eagerly anticipate welcoming you to Bandung.

Warm regards,

Kiki Novito

WELCOME SPEECH

Chairman of 8th Biannual Scientific Meeting of Indonesian Hip & Knee Society 2024

We cordially invite you to Bandung for the 8th Biannual Scientific Meeting of Indonesian Hip and Knee Society from 28 August to 1 September 2024 at Pullman Bandung Grand Central. Our meeting this time will discuss the most frequently encountered cases in daily practice that need to be known by general orthopedics, practitioners in the musculoskeletal field as well as advanced and complex cases that hip and knee subspecialists must know. In this meeting you can learn and discuss directly from world-renowned experts in arthroplasty, sports injuries and trauma in the hip and knee region.

This 3-day scientific meeting will be preceded by a workshop and comprehensive lecture to hone your hip and knee surgery skills. There will be more than 30 symposium topics presented by international and Indonesian experts that you can choose according to your educational needs at this meeting. Abstract submissions for e-posters and free podiums have been opened and we invite all of you to present your best scientific work which will be assessed to compete for the Chehab Rukni Hilmy Award.

This meeting is also a golden opportunity for you to see the latest advances in Orthopedic surgery such as artificial intelligence and robotics in the field of hip and knee.

Bandung is the 2024 trending destination according to TripAdvisor based on the Best of the best Destinations Traveler's choice category, which is the only city in Indonesia that is on the World Trending Destinations list, this is due to the friendliness of its people, the beauty of nature and culture and of course the city's special culinary delights.

Bandung was even named the city with the best culinary delights in ASEAN according to the 2023/2024 Taste Atlas.

We hope that you can be part of the international orthopedic meeting in Bandung, that is the 8th Scientific Meeting of IHKS 2024.

See you in Bandung.

COMPREHENSIVE LECTURE | AUGUST 28th , 2024

Mastering ACL Reconstruction in a Practical Way

Time : 08.00 - 10.00 WIB

Venue : Pullman Bandung Grand Central

Time	Programme
07.00 - 08.00	Registration
08.00 - 08.20	ACL Reconstruction - Technical Pearls
08.20 - 08.40	ACL Reconstruction with remnant ligament preservation
08.40 - 09.00	Revision ACL Reconstruction
09.00 - 09.20	tba
09.20 - 09.40	Arthrogenic Muscle Inhibition post ACL Reconstruction
09.40 - 10.00	Discussion

Meniscus Repair : From the Budget Friendly to the Premium Options

Time : 10.00 - 12.00 WIB

Venue : Pullman Bandung Grand Central

Time	Programme
09.00 - 10.00	Registration
10.00 - 10.20	Surgical techniques of the meniscus: State of the art
10.20 - 10.40	Meniscus Repair in Elite Athlete
10.40 - 11.00	Return To Sport after Meniscus Repair
11.00 - 11.20	How to deal with meniscus ramp lesion
11.20 - 11.40	Budget Friendly in Meniscus Repair
11.40 - 12.00	Discussion

How to Publish Our Daily Routine Surgery to Scientific Journal

Time : 15.00 - 18.00 WIB

Venue : Pullman Bandung Grand Central

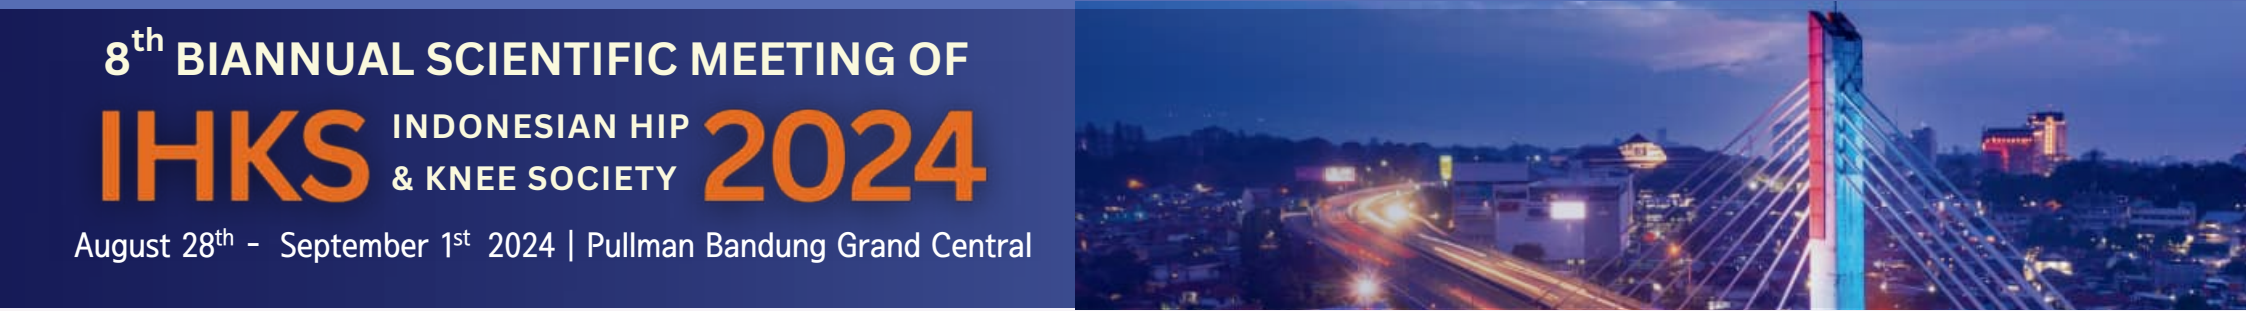

Time	Programme
15.00 - 16.00	Registration
16.00 - 16.20	Orthopaedic scientific publication: Build your scientific profile
16.20 - 16.40	Which journal should I choose for publication?
16.40 - 17.00	Preparation for manuscript submission : Tips and Tricks
17.00 - 17.20	How to deal with reviewer comments and do a proper revision?
17.20 - 17.40	Introduction and progress of The Hip and Knee Journal
17.40 - 18.00	Discussion

WORKSHOP | AUGUST 28th, 2024

- Workshop Pelvis Acetabulum Fracture Management
- Workshop Management of Patellofemoral Instability
- Workshop For Orthopaedic Nurse : Preparing Arthroscopic And Arthroplasty Surgery In Hip And Knee

8th BIANNUAL SCIENTIFIC MEETING OF

IHKS

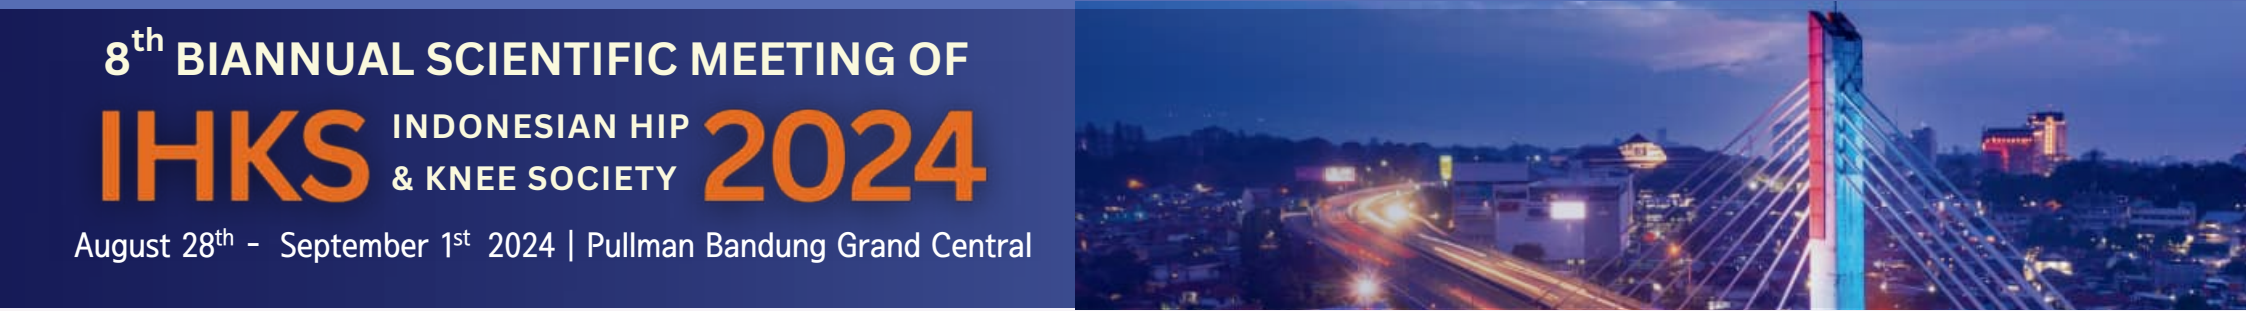

INDONESIAN HIP & KNEE SOCIETY

2024

August 28th - September 1st 2024 | Pullman Bandung Grand Central

SYMPOSIUM DAY 1 | AUGUST 29th , 2024

TIME		PROGRAM			
ROOM		BALLROOM A	BALLROOM B	CREMA ROOM	
07:00 - 08:00		FREE PAPER			
08:00 - 10:00		PRESIDENTIAL INVITATION LECTURE			
08:00 - 08:15		PRESIDENTIAL INVITATION LECTURE 1 Title : Revision Total Hip Arthroplasty : How to make it a success			
08:15 - 08:30		PRESIDENTIAL INVITATION LECTURE 2 Title : tba			
08:30 - 08.45		PRESIDENTIAL INVITATION LECTURE 3 Title : Current Update in management of PJI			
08:45 - 09:00		PRESIDENTIAL INVITATION LECTURE 4 Title : How to Manage Professional Football Players knee injuries : based on my experiences in Real Madrid FC			
09:00 - 09:15		PRESIDENTIAL INVITATION LECTURE 5 Title : What is Latest Issue for Total Hip Replacement in 2024?			
09:15 - 09.30		PRESIDENTIAL INVITATION LECTURE 6 Title : Patellofemoral Instability : Where are we in 2024?			
10:00 - 11:00		OPENING CEREMONY			
10:00 - 10:03		MC Opening

10:55 - 11:00		MC Closing			
11:00 - 12:00		COFFEE BREAK & LUNCH			
		LUNCH SYMPOSIUM			
	SATELLITE SYMPOSIUM 1. Total Hip Arthroplasty : How I Do It		SATELLITE SYMPOSIUM 2.How I do ACL Reconstruction		FREE PAPER
	Perioperative Planning : How I Usually Do		Why is the BTB graft still the gold standard for ACL reconstruction in elite football player		
	Choosing Femur Stems in THA		My perfect ACL reconstruction with remnant preservation		
	Tips to Enhance posterior approach and Acetabular component		My ACL Reconstruction with peroneus longus		
	Getting The Acetabular Component Position Right		Anatomic double-bundle ACL Reconstruction		
	Intraoperative Challenges and Complications in THA.		Anterolateral stabilization in ACL Reconstruction		
	DISCUSSION		DISCUSSION		
	SATELLITE SYMPOSIUM 3. Total Knee Replacement : Getting it Right for the First Time		SATELLITE SYMPOSIUM 4.Hip Arthroscopy		
	Choosing The Best Prostheses		The Revolution of hip Arthroscopy		
	Placing The Best Prostheses Correctly : How Do I Do It		Hip arthroscopy: the learning curve		
13:00 - 14:00	Peri-Operative Pain Management: Assuring a Happy Patient		Persistent pain after hip arthroscopy, what we can do		
	Current Guidline For Antibiotics Profilaxis		Peripheral compartment first in hip arthroscopic		
	Preoperative patient optimazation in Total Knee Replacement		Arthroscopic treatment of Gluteal tendon problems		
	DISCUSSION		DISCUSSION		
	14:00 - 14.15		COFFEE BREAK		
14:15 - 15:15	SATELLITE SYMPOSIUM 5. Alternative Alignment Methods in Total Knee Arthroplasty: What's the Latest?		SATELLITE SYMPOSIUM 6.Management of Meniscus tear		
	What Is the Alignment and Balance of a Total Knee Arthroplasty		How to repair a root tear		
	Why Consider Alternative Alignment Strategies: A Historical Perspective		Bucket handle tear, how to manage it		
	Classic Kinematic Alignment: Why and How?		Diagnose and manage a ramp lession		
	Axial alignment in TKA. The forgotten plane		Do or do not operate on degenerative meniscus lession?		
	Alignment in TKA, What's the latest?		Discoid Meniscus: Tips and Trick		
	DISCUSSION		DISCUSSION		

SYMPOSIUM DAY 1 | AUGUST 29th , 2024

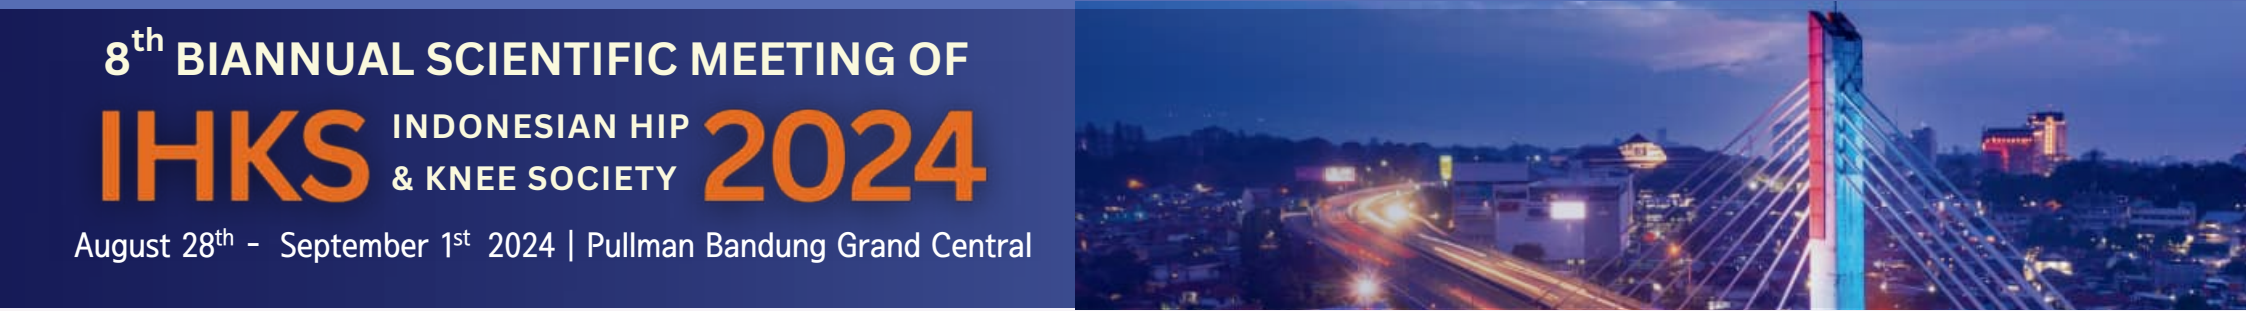

15:15 - 16:15	SATELLITE SYMPOSIUM 7. Optimization Prior to Elective Joint Replacement	SATELLITE SYMPOSIUM 8. Patello Femoral Problem	
	MIS mini invasive 2 incision for THA	Basic technique MPFL Surgery	
	Leg Length Inequality in THA - how to avoid and what to do if you get it wrong!	What is The best MPFL Technique	
	Outpatient Joint Replacement : Is it a possible to do it ?	Patella Alta and increased TT-TG	
	How to Get a Perfect Tibial Component Rotation in TKA	The relevance of trochlear dysplasia and patellofemoral instability	
	How Handling Pain in Joint Arthroplasty	Patellofemoral problem in immature bone	
	DISCUSSION	DISCUSSION	
16:15	END DAY 1		
16:15 - 18:00	PREPARATION FACULTY DINNER		
18:00 - 21:00	FACULTY DINNER

CHEHAB RUKNI HILMY AWARD

Chehab R. Hilmy Award is established in 2013 to recognize meritorious researches or publications at Indonesian Hip & Knee Society (IHKS) Scientific Meetings. This award, comprises of 3 prizes, recognizes outstanding manuscripts that focus on basic science, surgical techniques, clinical research, systematic reviews or outcomes report related directly to arthroplasty, Sport Medicine/Arthroscopy & Trauma around the Hip & Knee. Eligible applicants must be members in good standing of Indonesian Hip & Knee Society

Deadline of Abstract Submission for IHKS Scientific Meeting will be July 5th, 2024. The selected Abstracts will be presented by the authors in the format of presentation (3 minute presentation and 3 minutes (Q&A) at IHKS Scientific Meeting.

PRESENTATION GUIDELINES

- Power Point or Keynote Format Acceptable
- PPT 16:9 Wide Screen
- Please keep your file size under 500MB per presentation if possible
- Please embed your picture and video files into your presentation to avoid any display problem
- All presentations will be loaded into our central computer system for presentation so you do not need to bring your own laptop
- Please submit your abstract and slide to Google Form latest by July 5th, 2024. We will load your presentations ready for your viewing and rehearsal
- If any revision, please load your presentations to the speaker ready room minimal 3 hours before your schedule presentation
- Technical support staff will be standing by To assist you

E-POSTER GUIDELINES

- Full HD, Portrait 1080 x 1920 Pixel
- Please submit your abstract and Poster to Google Form latest by July 5th, 2024

ALL MUST BE IN ENGLISH

UPLOAD ABSTRACT & FILES

ABSTRACT SUBMISSION GUIDELINES

BASIC FORMAT FOR ABSTRACT

- An Abstract is compendious summary of a research paper's substance including its background, purpose, methodology, results and conclusion.
- It should be one paragraph with a word limit of 175 - 275
- Keyword should be provided as a must (no more than 06 words)
- Keyword should be written in lowercase letters (not applicable to names/scientific names) and should be separated with commas
- Please do not include subheadings, bullets, lists and header/footer in the abstract
- Abstract titles should be short, but descriptive, informative titles, indicating key points are encouraged. Abbreviations should not be used in the titles
- Acronyms should be written in full the first time, mentioned in the text, followed by abbreviation in parentheses
- Always follow SI Units
- Scientific names must be in Italic
- Use a negative exponent (e.g. kg m ⁻³) and do not indicate units as divisions (e.g. kg/m 3)
- Chemical formula should be written in a standard form such as "CaCO₃", not as "CaCO3". Use a zero before decimal points such as "0.45" not ".45"
- There shall be no citations or references in the abstract specifically. If there is a need to cite references, please provide the sources in brackets

FONT

- Titles: Times New Roman, 12 Points, Uppercase, Centered text in bold
- Body: Times New Roman, 11 Points, Line spacing: 1, one column of text

AFFILIATIONS

- Affiliations should be indicated with superscript Arabic numbers appearing at the end surname/Family name
- A Superscript asterisk should be used for corresponding author
- Names of Affiliations should be given including the country
- If there is more than one name and address, they should be related by superscript numbers

EG:-

- Surname INITIALS 1, Surname INITIALS 1* and Surname INITIALS 2
- Department, Faculty, University, Country
- Department, Institute, Country

*Author@gmail.com (Email Address of the corresponding author)
